

J. WILKES 2014 PINOT NOIR SANTA MARIA VALLEY

This 2014 Santa Maria Valley Pinot has a deep bright ruby color with violet highlights. Aromas of black cherry, plum and macerated strawberry. Touches of clove and nutmeg are contributed by the French and American oak for complexity.

The palate shows medium body, dry cherries and ripe red berries, balanced acidity and fine grained tannins that support an extended, lengthy finish. A profoundly food friendly wine.

Pinot Noir has balanced acid and tannins making it a great match for many dishes from Salmon to filet mignon cooked over red oak.

Alcohol: 13.9%
