## 2014 SAUVIGNON BLANC

### CENTRAL COAST

*Nose:* Grassy overtones followed by persistent tropical characters. Well balanced acidity that highlights the nuance aroma of passion fruit and elderflower.

*Palate:* This wine was fermented clean and was never exposed to oak. It has well balanced acidity with excellent length. On the palate there is follow through of passion fruit and varietal specific green notes. This wine is crisp and fresh. It is refreshing on the palate and has acidity that will blend excellent with food. A favorite of the staff, it is an elegant balance between new world and old world Sauvignon Blanc.

*Alcohol:* 13.5%
